

together wear ordering smarter

create
direct
deliver

Introducing Salesnet, our new online portal for our wholesale school clothing partners.

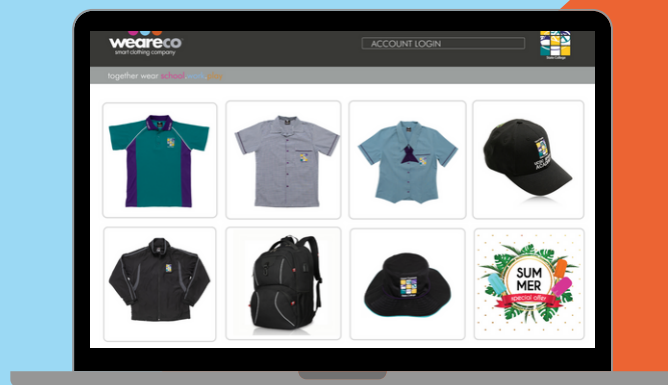

Bringing all your ordering information together in just a few clicks. As a Weareco customer you can now place orders, download invoices, make payments and access sales and marketing resources via your own personalised Weareco Salesnet Account where you can view your customised apparel line and request orders when you need to.

Weareco Account Executive's will be in touch with your login details from 1st May 2020.

SalesNet Smarter Benefits:

- Gain complete visibility of your products, prices and order history for better decision making for indent sales and top up orders.
- Take advantage of our Weareco trade promotions or clearance on seasonal generic stock.
- Become more empowered to manage your orders and your account and delivery status.
- Need to draw from Holding Stock? Order from real stock volumes and get instant order confirmations from us without any need to contact us directly.
